*The largest bottles are also  
 used as decanters*

Opaque marbled colours on bottles are also available,  
 as are bottles without any colour or gold detailing.

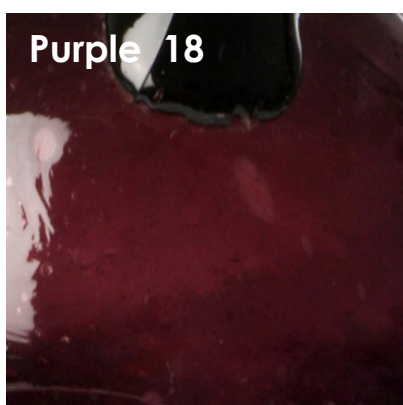

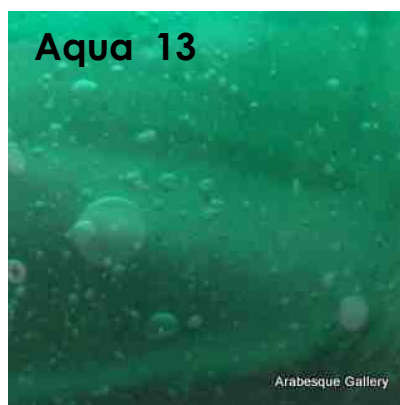

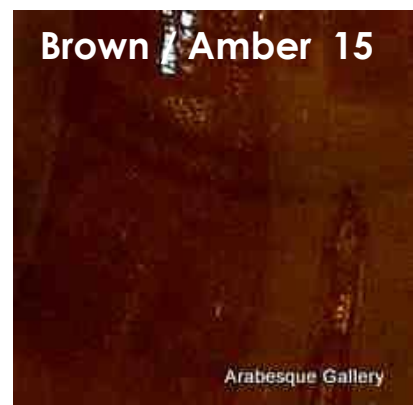

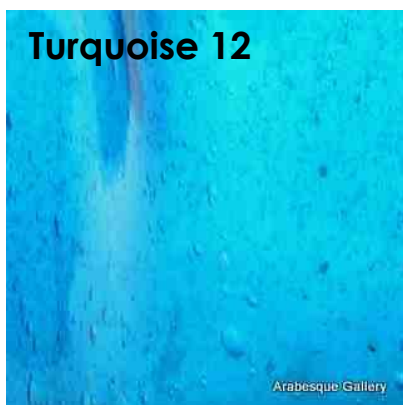

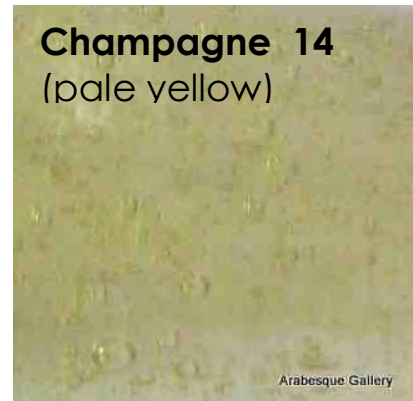

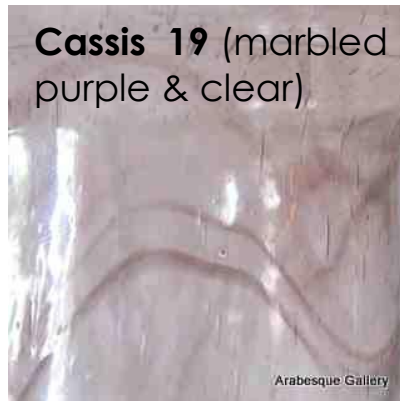

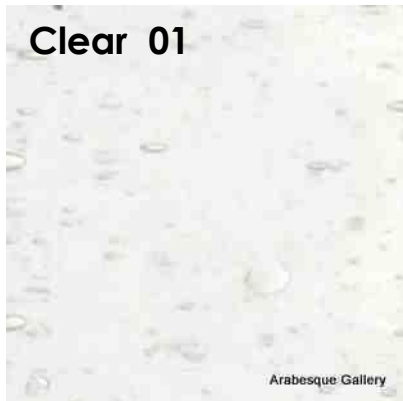

# Recycled Glassware

Our Recycled Glassware products are all individually blown, using the colours below, to stock size or customer specifications.

## Glass Colour

To indicate the colour required for Recycled glassware, **replace 'CC' with the Colour Code number**, shown on the colour swatches below.

*Colour intensity will vary  
The Red is a coating. Also available as an oxide in glass (like the other colours) – please ask for quote.*

Size, Shape, Colour:

Please note: each item is individually blown, thus exact size, shape, colour & weight will vary in every category.
